#### **ABOUT THE COMMISSION:**

CSSBMB is a 19-member, bipartisan commission whose mission is to:

- Conduct a systematic study of the conditions affecting Black men and boys, including homicide rates, arrest and incarceration rates, poverty, violence, fatherhood, mentorship, drug abuse, death rates, disparate income and wealth levels, school performance at all grade levels, including postsecondary education and college, and health issues.
- Examine trends regarding Black males and report on the community impacts of relevant government programs within the scope such topics.
- Propose measures to alleviate and remedy the underlying causes of the conditions described in the statute, which may include recommendations of changes to the law, recommendations for how to implement related policies, and recommendations for how to create, develop, or improve upon government programs.
